

Proposition 28 School Site Plan

Proposition 28 will provide about \$1 billion each year in funding to California public schools, so all 6 million students in pre-K through 12th grade can participate in arts and music at school. Proposition 28 funds are intended to supplement existing arts and music education programs. Under Proposition 28 LEAs are required to the following regulations:

- Develop a site plan for spending funds received
- Utilize at least 80% of the funding to hire staff for arts and music instruction
- Maintain annual expenditure reports to reflect expenditures.
- Annually submit a report that details
 - The types of art programs funded, program staff (the number of full-time equivalent teachers, classified personnel, and teaching aides)
 - The number of students served, and the number of school sites providing art education programs using the initiative's funds

Plan Descriptions

Describe how the funds received under Proposition 28 will be utilized to supplement existing arts educational programs.

Great Valley Academy – Modesto will add an art program and full-time credentialed art teacher for all grades K-8. The newly added art position will be a push-in model to classrooms for all grades. In addition to the teacher, the art class will be fully equipped with art supplies to allow students the most opportunity to experience different forms of art. This will be an entirely new program and offering for Great Valley Academy – Modesto.

Describe how the funds received under Proposition 28 will be utilized to supplement existing music educational programs.

Great Valley Academy – Modesto will also add a new position of Technology of Arts & Music with a full-time credentialed teacher. The new position of Technology of Arts & Music will be a pull-out specials class. In addition to the teacher, new equipment and supplies will be purchased for students to use and advance their music appreciation. This will be an entirely new program and offering for the Great Valley Academy – Modesto.
